November e-Newsletter 2023

Next weekend Mothers' Union members all around the world will be holding services, events, marches and prayer vigils for our Global Day of Action. Members will use our *No More 1 in 3* campaign to call for an end to gender-based violence. You can read about our campaign and how to get involved below.

Our Annual Gathering in York was a fantastic opportunity for members to meet, share in fellowship and hear updates from around the movement. Below you can read our WWP's speech and watch our video of our impactful work in 2022.

Our Safeguarding Policy and Procedure for Britain is now live on our website for everyone to read.

As we near the end of another year, we approach Advent. We are delighted to share some Advent and Christmas prayers, Advent activities and an Advent service, which are all now available on our website. We also introduce you to our new Faith and Church Relations Manager.

With every blessing,

Your staff team at Mary Sumner House

MU's Global Day of Action

MU's Global Day of Action is taking place on Saturday 25th November. This year we are continuing to build on our *No More 1 in 3* campaign. We are again asking our members throughout the world to hold a one minute's silence at 1.03pm, and pray for all those affected by violence. We are also asking members to wear purple ribbons to symbolise their support for the campaign. We hope these ribbons will spark conversations, which allow you to talk about Mothers' Union and how we raise awareness of and call for an end to all forms of violence.

Annual Gathering

We hope those who attended the Annual Gathering 2023 had an inspiring and fulfilling day.

Over 700 members and friends of Mothers' Union attended the Annual Gathering in York. It was an opportunity to join together from across Britain and Ireland to showcase the innovative ways Mothers' Union members respond to issues raised in and by their communities. From supporting new mothers, running toddler groups, volunteering and offering respite breaks for families in need – we do whatever the community needs, when they need it.

You can see all the presentations, read WWP Sheran Harper's speech and find all the other resources by clicking the button below.

Safeguarding

The Mothers' Union Safeguarding Policy and Procedure for Britain is now on our website.

We all agree there is nothing more important than ensuring the wellbeing of the children, families and adults with whom we work. Keeping ourselves safe is also of major importance, and the aim of the policy and procedure is to provide a framework and guidance to enable a safe and secure working environment where everyone can thrive and benefit from our programmes and activities.

Advent Resources and our new Faith and Church Relations Manager

We are delighted to introduce our new Faith and Church Relations Manager, Ish Lennox, who has recently joined the Mary Sumner House staff team. She has produced some Advent and Christmas Prayers, an Advent service and some Advent Prayer Resources and Activities for our members to use.

Read about the impact faith has had on her journey to join Mothers' Union and access our new Advent Resources by clicking the button below.
